

AMY E. CRUMPTON

OBJECTIVES AND CAREER GOALS

- Obtain a tenure track teaching position in a CIDA accredited Interior Design Program that can leverage my professional experience to enhance the design curriculum.
- Instill a life-long love of learning in my students and make sure that the education they receive prepares them well for the real life work experience in Interior Design and related fields.

EDUCATION

Master of Science in Interior Design

University of Tennessee, Knoxville, TN (1995)

- Emphasis on Facilities Management, Organizational Behavior and Corporate Culture.
- Thesis Topic: Facilities Planning for Group Work

Bachelor of Science in Home Economics (Interior Design Option)

Mississippi State University, Starkville, MS (1992)

TEACHING AND PROFESSIONAL EXPERIENCE

Assistant Professor in Interior Design

College of Architecture, Art, and Design, Mississippi State University, MS (August 2005-Present)

- Responsibilities include: teaching between nine and eleven credit hours a semester, university service, research and community outreach projects.
- Courses Taught:
 - **ID 1683. Interior Design Graphics.** (3) One hour lecture. Four hours laboratory. Introduction to basic manual drafting and tools/techniques used by interior designers in executing and reading graphic language in two dimensional form.
 - **ID 1694. Interior Design Studio I.** (4) Two hours lecture. Four hours laboratory. Introduction to the basic principles and element of design using practical and abstract applications in creative problem solving analyzing spatial form and function.
 - **ID 3363. 3/D CAD/Modeling in Interior Design.** (3) Two hours lecture. Two hours laboratory. Advanced computer graphic communication in interior design for the development of technical and perspective drawings created in presentation formats using 3D imaging.
 - **ID 4663/6663. Professional Procedures and Practices for Interior Designers.** (3) Three hours lecture. Professional opportunities as they relate to individual competencies. Study of studio procedures, ethics, business and legal aspects. Preparation of resume and portfolio presentation.
 - **HS 4733/6733. Computer-Aided Design for Human Sciences.** (3) Two hours lecture. Two hours laboratory. Applications of computer-aided design for interior design, fashion merchandising, child development, human sciences education, consumer economics, foods and nutrition.

Corporate Real Estate Workplace Strategist and Service Line Manager

Capital One Financial, Richmond, VA (April 2001-March 2005)

- Workplace Strategist. Responsibilities included: Developing strategies for the workplace including leadership of a cross functional team to select a new furniture vendor and redesign workstations to save over \$10MM on one project alone (project won the Capital One Circle of Excellence Award). Also responsible for design and publication of a design guidelines manual for facility standardization. During this time I also designed a line of fabrics with Deepa Textiles to showcase our brand on the workstations.

AMY E. CRUMPTON

- Service Line Manager. Responsibilities included: American conferencing portfolio (1600+ rooms) including reservation system (1700+ reservations a day). Management of staff of 20 and outsourced associates. Six different operational initiatives with the conferencing portfolio: general conferencing, TeleSuite (executive video conferencing offering), video conferencing, video conference training, ReserveOne (reservations system)

Associate, Sr. Project Manager, Corporate Studio Leader

Hnedak Bobo Group, Inc., Memphis, TN (January 1995 – April 2001)

- Responsibilities included: Project management, corporate studio organizational development, strategic facilities planning, client management, programming, interior design, management of staff of 10. Developed a database application to manage programming data in access.
- Representative Projects: FedEx World Headquarters (1,100,000 SF), Union Planters Administrative Center (600,000 SF), and International Paper Planning (500,000 SF).

Facility Management Graduate Assistant

Oak Ridge Associated Universities, Oak Ridge, TN (1993-1994)

- Developed a database for facilities tracking
- Helped in programming/planning new and leased office space and training facilities

- NCIDQ Certified # 58906
- University of Memphis Educational Review Board (1998-1999)

TEACHING SKILLS AND INTERESTS

Training and Teaching Skills

- Public speaking
- Class development
- Curriculum development and review

Computer Skills

- Microsoft Outlook, Word, Excel, Project, PowerPoint, Access, Publisher
- Adobe Acrobat Writer
- AutoDesk AutoCAD 2007, REVIT 9, VIZ 2007
- Windows XP, 2000
- Reservation management Software (Tririga/Reserve)
- SketchUp 5.0

Teaching Interests

- Commercial Design Studio
- Technology Tools for Design
- Professional Practice
- Programming
- Design Process

Research Interests

- K-12 Design Education
- ID Curriculum Development
- ID Career Lifecycle
- Program Assessment
- Corporate Space standards
- Programming and Space Planning

PROFESSIONAL SKILLS AND INTERESTS

Organizational Development

- Organizational/process development
- Marketing
- Personnel management and team building
- Staffing and scheduling
- Financial management

Facilities Operations

- Conference room reservation /management systems
- Video conferencing design and operations
- Facilities helpdesk coordination
- RFP's, outsourcing, and vendor management
- Service level agreements
- Interdepartmental relationships

Facilities Planning and Design

- Strategic facility planning
- Large-scale project management
- Standards development
- Programming
- Space planning
- Interior design, FF&E
- Corporate facilities design
- Training center design
- Call center design
- Graphic publication design
- Future of work space design
