

SUMMER ENRICHMENT APPLICATION

There is no charge for GEAR UP students to participate in a summer enrichment program. Space is very limited. Students will be admitted to a program on a first-come first-serve basis.

Students are allowed to attend only one summer program.

The summer program directors from the university/college will then mail parents more specific information and permission forms. They may also follow-up with phone calls.

REQUIREMENTS:

1. ONLY 11th grade GEAR UP students are allowed to participate in these summer programs.
2. Students must demonstrate a real interest in attending a GEAR UP Summer Enrichment program. Students who are disruptive or require disciplinary action will be sent home early.
3. Parents must provide or arrange transportation for their child to and from the university/college campus. If transportation is a problem please discuss this with your school site coordinator.
4. Students must be recommended by their school counselor and principal.
5. The GEAR UP Site Coordinator will fax the registration form directly to the college/university program the student wants to attend. Site coordinators will be notified by e-mail which students have been admitted by April 6, 2007.

PLEASE FILL OUT THE FORM BELOW COMPLETELY:
