NOTES:

1. ARC courses are only offered in the fall or spring semester as outlined above.
2. MA 1313 College Algebra and MA 1323 College Trigonometry are prerequisites for Physics PH 1113 and 1123 General Physics I and II.
 MA 1313 College Algebra and MA 1323 College Trigonometry should be completed prior to the first fall semester. Students may take MA 1323 at MSU or a community college the summer prior to entering the Architecture program.
 - o Options to satisfy MA 1313 College Algebra requirement:
 - Students with a 24 or higher on the math portion of the ACT may satisfy College Algebra
 - Students may take MA 1313 at MSU or a community college the summer prior to entering the Architecture program
 - A College-Level Examination Program (CLEP) test for MA 1313 is available through the Computer-Based Testing Services office on the MSU campus
 - o Options to satisfy MA 1323 College Trigonometry requirement:
 - MA 1313 College Algebra is a prerequisite
 - Students with a 26 or higher on the math portion of the ACT may satisfy MA 1323 College Trigonometry
3. ARC 2213 may be taken fall or spring of first or second year.
4. This is the minimum number of credits to be considered full time student at MSU. Check with Financial Aid Office for other minimum requirements.

*** NOTE: Speak with the S|ARC advisor about the possibility of taking these courses earlier or after the recommended semesters outlined above.**
