Introducing FORM Design Build: A New Construction Group Based in Jackson, Mississippi
A Seamless Approach to Building Excellence in the Southeastern United States

JACKSON, MISS., SEPT. 19, 2023 – Webb Emerson, a Jackson-based general contractor and entrepreneur with a family heritage in the world of construction, is thrilled to announce the founding of FORM Design Build, a dynamic venture that aims to redefine the construction landscape in the Southeastern United States.

FORM will provide a comprehensive suite of services that includes Design Build Services, General Contracting, and Pre-construction services. With a strong commitment to bridging the gap between building and design, FORM aspires to deliver a seamless and relational experience for clients.

Speaking about his vision for the company, Webb Emerson said, "I have always believed that there is a better way to approach construction, one that minimizes the usual pains and frustrations that clients often encounter. With FORM, we aim to create a new process where collaboration, creativity, and precision converge. We want our clients to not only come away with their dream build but enjoy the process from start to finish."

The company will serve a diverse range of clients in the Southeastern United States. For more information about FORM and its services, please visit form-designbuild.com or contact webb@form-designbuild.com.

###

About FORM Design Build

FORM Design Build is a forward-thinking construction firm founded by Webb Emerson and partners. Committed to bridging the gap between contracting and architecture, the company provides a seamless and relational building experience for clients in the Southeastern United States.
